Walmart Africa Terms and Conditions of Sale

Masstores (Pty) Ltd trading as Walmart Africa (hereinafter referred to as "Walmart Africa") reserves the right to limit stock to reasonable consumer quantities, as determined at its sole discretion. All prices displayed are inclusive of Value Added Tax (VAT) at the applicable prescribed rate. Prices exclude accessories used for display purposes, insurance, and delivery charges (where applicable). Walmart Africa shall use its reasonable efforts to discontinue any offer once stock is no longer available. In the event that stock runs out, Walmart Africa will attempt to obtain reserve stock or, where feasible, offer a reasonable and comparable alternative with similar product specifications. However, the original promotional discount or offer may not apply to the alternative product. Some large appliances may not be held in stock at store level. In such cases, customers may be required to collect the product from a designated central collection point at the store or opt for delivery, which may incur an additional delivery fee. Walmart Africa takes utmost care to ensure that all advertising

information is accurate at the time of publication. However, should any inadvertent or obvious errors or inaccuracies occur, Walmart Africa will issue in-store notices and notices on the Walmart Africa application (the Walmart Africa App), as applicable, reflecting the correct information. Where a price per unit is advertised for a bulk pack, such unit pricing shall only apply when purchasing the entire bulk pack. Should the product also be available for individual sale, the individually advertised price shall apply. All promotional offers and value-added services are subject to specific terms and conditions applicable to each offer or service, as determined by Walmart Africa. Certain products, including but not limited to plants, rugs and mats, are available only at selected Walmart Africa stores. Availability may vary by location. Photographic images used in advertising may not accurately represent the actual colour of the product due to printing limitations. Customers are encouraged to visit a Walmart Africa store to view colour samples or chips in person before making a purchase.
